FAQ’s:

Who can track their ballot?

All registered voters in Massachusetts will automatically receive an application to apply for a mailed ballot. Voters may return these applications in order to receive a ballot by mail, or may choose to vote early in-person or on Election Day. Mailed ballots may be returned by mail or delivered to one of two official ballot drop boxes located at the front and right side entrances of Dennis Town Hall. If you have requested a mailed ballot, no matter how you return your ballot, you may track its progress and know when it has been safely received for counting!

How does Track My Ballot know where my ballot is?

Track My Ballot takes the information directly from the Voter Registration Information System that is used by all towns and cities in Massachusetts, the same information the Town Clerk’s office uses to track the ballots it issues and receives back.

I cannot find any record of my ballot, but I know I applied?

Certain streets in Dennis are given a special designator (01, 02, 03, 04…) in order to separate them by voting precinct. Typically, they are streets which have the same name, but are located within multiple Villages in Dennis, i.e. Main Street, Center Street, Sea Street etc. If you live on one of the streets affected, you would place your full address, including precinct designator, in the “Your Street Name” field, and leave the “Select Street Suffix” blank, filling in all other information. So, if you lived at 123 Main Street in East Dennis, and know you are precinct 2, you would place “123 Main St 02” in the Street Name field.

If you have any trouble accessing the Track My Ballot System, or have any other Election questions, please call the Alford Town Clerk’s office at (413)528-4536 x3.
